Assessment

Influence Quotient: 73/100

Qualitative Analysis - Positive

- You delivered the presentation with a clear and concise message, effectively conveying the problem and solution for seniors.
- You showed passion and empathy towards the cause, which is evident in your content and makes your mission more relatable.
- You provided a comprehensive overview of the services offered by The Smiling Souls, showcasing your knowledge and expertise in the field.
- You effectively highlighted the potential for growth and scalability of your startup, making a strong case for investment.

Qualitative Analysis - Areas of Improvement

- You could improve by providing more specific data and statistics to support your claims, such as the current market size and growth rate.
- You mentioned that 'COVID changed people', but it would be more effective to elaborate on how it changed your perspective and motivated you to start The Smiling Souls.
- You stated that 'HSTAT is a booming industry', but it would be helpful to explain what HSTAT stands for and its relevance to your startup.
- You could benefit from breaking up long sentences and paragraphs to make your content easier to follow and understand.
- You used the phrase 'reports much more', which is vague and could be replaced with more specific and concrete information to add credibility to your presentation.
- Facial expressions were minimal or absent. Adding expressiveness can significantly improve the impact and connection with the audience.
- The speaker's gestures were minimal. Adding more expressive movements could make the presentation more engaging.
